Dear Mr. Simpson,

I am writing regarding your e-mail dated September 24, 2013 requesting "All permits for the bald eagle that serves as a live mascot for Boston College in Chestnut Hill, Mass. It is cared for by Zoo New England."

EEA is in the process of identifying documents that may be responsive to your request and will provide you with a further appropriate response as soon as practicable with respect to identification of the requested documents. We will inform you of whether the EEA will be withholding any documents as exempt from the definition of public record under M.G. L. c. 4, § 7(26). In addition, this response will contain an estimate of costs associated with complying with your request as provided in M.G.L. c. 66, § 10 and 950 CMR 32.06.

This search will not cover records that may be in the custody of any other department or office subject to the Public Records Law. A request to inspect or copy such records must be made directly to each department or office.

If you have any questions, please feel free to contact me at (617) 626-1146.

Sincerely,

A handwritten signature in cursive script, appearing to read "Margaret Callanan".
